What is your Super Story? Tell us all about the incredible work your child has done to help save animals and their habitats by having your child answer the questions below. Feel free to include this information in the email along with the completed release form.

How did you learn about Earth Rangers?

Have you completed a Bring Back the Wild fundraising campaign?

Which animal did you choose and how did you fundraise?

Have you completed an Earth Rangers Mission?

Which Mission did you complete and what did you do to complete your Mission?

Do you do anything else at home, school or in your community to help the environment?

What do you want to tell other kids about why it's important to protect animals and the environment?
