# Paper Wind Turbine Template

## Instructions

**1.** Print out your paper wind turbine template

**2.** Cut out both the tower and the blades

**3.** Decorate your tower and blades as you wish with coloured pencils, markers, or crayons

**4.** Fold the inside surface of the tower (the side that isn't decorated) as indicated on the template

**5.** Complete your tower

**6.** Bend the blades slightly to create a tilt angle

**7.** Place your dress pin through the centre of your blade, through a bead, through the top of your tower, and finally through an eraser to keep it all together

**8.** Place your wind turbine somewhere with a breeze and watch it spin!

**Tip!** Cut along the solid lines and fold along the dotted lines!
